Advanced Dental Concepts Is Hosting a **Free** Day of Dentistry with *Dentistry From The Heart*

Pace, FL-February 5, 2010-Dr. Noel Spurlock, Dr. Forrest Faulkner and Dr. Ed Faulkner are out to change lives by offering free smiles to anyone who needs dental work, as they host the latest event for Dentistry From The Heart.

Dentistry From The Heart (DFTH) is a national non-profit organization with a simple mission-making people smile. Founded in 2001 by Dr. Vincent Monticciolo located in New Port Richey, Florida, DFTH was created to aid those in need, including the growing population of under-insured Americans. Over 100 million Americans lack dental insurance and over 29 percent of adults have untreated cavities. Without events like DFTH, dental care simply isn't an option for many of the uninsured. To date, DFTH has helped over 5,000 patients and provided over \$1 million in dental care.

“Now more than ever, I know there are people out there that need my services, but have no means to afford them-whether they're out of a job, or just don't have dental insurance. This Dentistry From the Heart event is my way of giving back to the community, and being there for the people who are in need of dental work,” said Dr. Spurlock.

“This is our 2nd annual Dentistry From The Heart event. It was a huge success last year and we are hoping to be able to serve as many this year. In 2009 Advanced Dental Concepts treated over 200 people on our first Dentistry From The Heart,” said Dr. Spurlock.

The event will take place on Friday, April 30th at Advanced Dental Concepts in Pace. Starting at 8am, Dr.'s Spurlock, Faulkner and Faulkner and their volunteers will treat the first 150 patients, or however many they can treat by 5pm. We will be providing free fillings, extractions, and cleanings on a first come, first serve basis to adults over 18 years old.
